WHAT SMALL GROUP IS ALL ABOUT AND HOW TO GET THE MOST OUT OF IT

UNDERSTANDING WHY WE HAVE SMALL GROUPS

We meet to study the Bible.

"All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right." 2 Tim. 3:16

We meet to grow closer to God.

God loves you more than you can imagine. He wants good things for your life, better things than you could ever dream! He wants you to learn more about him... so come ready to grow!

We meet because God changes lives.

Learning truth about God without allowing that truth to RADICALLY impact your life is a crime against God. He wants to make a difference IN your life and THROUGH your life. Make the decision to impact your world for Christ. You can do it! Live in obedience to what you know is right.

THINGS YOU CAN DO TO GET THE MOST FROM YOUR SMALL GROUP

Commit to consistency and show up on time.

Be on time and show up at 7:00. If you have a scheduling conflict, coming late is fine, but try to get here as close to 7:00 as possible.

Bring your Bible.

Bring your Bible so you can learn to use it, make notes in it, underline key verses, etc.

Develop a personal quiet time.

One of the great truths about your relationship with God is that you don't HAVE TO go to a church program in order to spend time with him and grow closer to him. In fact, if the only time you stop to focus on God is when you are "at church," then you're really missing out. Begin to develop your personal alone times with God, as this will push you into deeper spiritual maturity.

Stay mentally focused.

Since most of the time we'll be talking about God and important spiritual matters, do your best to remain focused. Everyone should be mentally involved and participate in the discussions. Not everyone feels comfortable speaking in front of others; THIS IS FINE, but you can still stay focused and learn.

Respect your small group.

Maintain confidentiality. Be honest with your questions, fears, struggles, etc. Refuse to "play it safe" and take a risk. Superficial relationships permeate EVERY aspect of our lives; don't let that sickness exist in your small group. Don't talk to make conversation, but share to make a difference.
